## *Please Be The One*

Bradenton Kiwanis wants you to *Be The One* on Tuesday May 1st. Please make your gift to Bradenton Kiwanis Foundation during the 2018 Giving Challenge.

Individual contributions that are between \$25 and \$100 made during the Giving Challenge will be matched by the Patterson Foundation. This is a great time to double the impact of your gift while supporting projects and programs that touch the lives of local young people. Your support continues our mission to reach local children and families with literacy, hunger and first day of school preparation.

Only credit card donations received online at:  
[www.givingpartnerchallenge.org](http://www.givingpartnerchallenge.org)

Select Kiwanis Club of Bradenton Foundation from the drop down box on the Giving Partner Challenge website.

Your gift made to the Bradenton Kiwanis Foundation during this year's Giving Challenge impacts the lives of local students, children and families in need. Kiwanis is here for good.
